

FLYOVER CAMP 2020

SPONSOR PROSPECTUS

sponsorship@flyovercamp.org

The Kansas City Drupal User Group is proud to announce the 2nd Annual Drupal Flyover Camp in 2020. With a successful inaugural camp in 2019, we hope to continue this technology tradition for the greater Kansas City area.

Technologists, designers and business leaders from the midwest will come together for three days of learning, networking and camaraderie. Please join us from Wednesday, September 16, 2020 through Friday, September 18, 2020 at the UMKC campus to help us celebrate Drupal and promote your business or organization to the midwest's brightest technologists.

We had an excellent turnout in 2019 and we're aiming to boost attendance even further in 2020. We're counting on your support to help us create an amazing experience and keep Flyover Camp a yearly event.

SPONSORSHIP

We are relying on our sponsors to provide an unforgettable event for our attendees, supporting our local Drupal and open-source community. The good news is, when you help us out, you'll also help yourself.

Drupal camps attract all kinds of people including beginners, seasoned Drupal core contributors, business decision makers, and respected technology influencers. Joining the Flyover Camp team allows you to enforce your brand identity and ensure that your company or organization is considered a thought leader to the Drupal community.

Flyover Camp sponsorship is good for

- Increasing brand awareness
- Networking with local technology decision makers and influencers
- Meeting and recruiting local talent
- Teaching the community about your product or service
- Enforcing your commitment to the Drupal and open-source community

If you're ready to choose a plan, or you have questions about sponsorship, please email sponsorship@flyovercamp.org and a camp organizer will get back to you quickly.

SPONSORSHIP LEVELS
